

Funder Spotlight

This series highlights public and private funders you may want to learn more about. Sign up for the funder's listserv or newsletter to keep updated on future grant announcements, or create a reminder on your calendar to check back on the funder website.

Want to search for other grants? Log into [Atom](#). Access a training on how to use Atom [here](#). Find a tipsheet for getting the most out of Atom [here](#).

Want to discuss your project idea or possible funding sources, get feedback on your grant documents, or access other grant seeking support? Contact [Melanie Bauer](#), the NSU Grant Writing Manager.

Keck Foundation

Type	Private foundation
Priorities	• Biological and physical science • Biomedical science • Engineering in service of basic science • High-risk and high-impact research • New technologies, instruments, and methods
Link to Grants	https://www.wmkeck.org/research-overview/
Fast Facts about Funding History	• Established in 1954 with a focus on advancing discoveries in science, engineering, and medical research • See recently funded research projects in the areas of medical and science & engineering here, with grant competitions twice per year
Notable Grant Opportunity	Research Program

Funds projects that aim to deliver pioneering and fundamental scientific discoveries in important and emerging areas of research. We fund high-impact research in basic physical, life, and biomedical sciences, including instrumentation development and engineering approaches in service of answering basic scientific questions. Typical awards range \$1M to \$1.3M over 3 years.

**This is a Limited Submission opportunity that limits the number of submissions from NSU each cycle. Contact GrantLab@nova.edu if you are interested in applying.*

Other Things to Know

- Proposals may not be resubmitted with the same project concept if declined for funding
- Does not fund drug discovery or development, clinical trials, medical devices, or applied/translational research

What Should You Do Next?

- Find more grant opportunities using [Atom](#)
- Reach out to staff in the [Grant Lab](#) to discuss a grant or funder
- Access proposal development [templates and guides](#)
- [Find a collaborator at NSU](#)
- Sign up for grantsmanship [trainings](#) to upgrade your grant seeking skills
- Get more guidance as a [new investigator](#) throughout the research life cycle
