

Funder Spotlight

This series highlights public and private funders you may want to learn more about. Sign up for the funder's listserv or newsletter to keep updated on future grant announcements, or create a reminder on your calendar to check back on the funder website.

Want to search for other grants? Log into [Atom](#). Access a training on how to use Atom [here](#). Find a tipsheet for getting the most out of Atom [here](#).

Want to discuss your project idea or possible funding sources, get feedback on your grant documents, or access other grant seeking support? Contact [Melanie Bauer](#), the NSU Grant Writing Manager.

Russell Sage Foundation

Type	Private foundation
Priorities	• Behavioral science & decision-making • Future of work • Race, ethnicity & immigration • Social & economic inequality • Immigrant integration • College admissions & economic mobility • Criminal justice research
Link to Grants	https://www.russellsage.org/apply/info
Fast Facts about Funding History	• Established in 1907 for “the improvement of social and living conditions in the United States” • Funds social science research that extends the methods, data, and theories of the social sciences as a means of better

	documenting and understanding the nation's most pressing social, political, and economic problems • Explore previously funded grant projects by Research Priority area here
Notable Grant Opportunity	Core Research Grants Core Research Grants provide up to \$200,000 to conduct social science research projects with applied and policy relevance aligned with RSF's research priorities and special initiatives. Topics span decision-making, work, race and immigration, inequality, college access and mobility, and criminal justice. Application involves a two-step process beginning with a Letter of Inquiry (LOI), of which a subset is approved to proceed to submit a full proposal. <i>*Access and read more about each "Research Priority" here.</i>
Other Things to Know	• Access Publications of the foundation and Reports resulting from funded projects, which may be wise to cite in grant proposals • Depending on the specific grant program, a final decision on a grant project takes 3-8 months • See special early-career grant opportunities here

What Should You Do Next?

- Find more grant opportunities using [Atom](#)
- Reach out to staff in the [Grant Lab](#) to discuss a grant or funder
- Access proposal development [templates and guides](#)
- [Find a collaborator at NSU](#)
- Sign up for grantsmanship [trainings](#) to upgrade your grant seeking skills
- Get more guidance as a [new investigator](#) throughout the research life cycle
