Funding Opportunities for Healthcare Research & Quality (AHRQ)

Sponsor	Grant/Program	Description	Deadline
AHRQ	Small Research Projects to Advance the Science of Primary Care (R03)	Supports small research projects that advance the understanding of the role and capacity of primary care to increase the value and quality of care and improve patient outcomes and population health by delivering person-centered care. Supports different types of projects including pilot and feasibility studies; secondary analysis of existing data; small, self-contained research projects; development of research methodology; and development of new research technology.	3/16/24 *(additional deadlines: 7/16/24, 11/16/24)*
AHRQ	Conference Grant Programs (R13)	Supporting conferences through Single-Year and Multiple-Year Conference grants. Seeks to support conferences that help further its mission to produce evidence to make health care safer, higher quality, more accessible, equitable and affordable, and to work with HHS and other partners to make sure the evidence is understood and used.	4/12/24 *(additional deadlines: 8/12/24, 12/12/24)*
AHRQ	Health Services Research	Seeks health services research grant applications focused on AHRQ research	5/25/24

	[Demonstration and Dissemination Grants (R18)](#)	priorities, including improving healthcare quality and patient safety, improving healthcare delivery and practice improvement, and enhancing whole-person healthcare delivery. AHRQ supports research in all healthcare settings, including the hospital, long-term care, ambulatory care, home healthcare, pharmacy, and care transitions between settings..	*(additional deadlines: 9/25/24, 1/25/25)*
AHRQ	[Mentored Research Scientist Career Development Award (K01)](#)	Provides support and protected time to individuals with a research doctoral degree for an intensive, supervised research career development experience in health services research. Can be used both by individuals who propose to newly embark in health services research training and those who had a hiatus in their research careers because of illness or family circumstances.	6/12/24 *(additional deadlines: 10/12/24, 2/12/25)*
AHRQ	[Mentored Clinical Scientist Research Career Development Award (K08)](#)	Support an intensive mentored research career development experience, comprised of didactic study and/or mentored research opportunities in health services research, for individuals with clinical doctoral degrees (e.g., MD, DDS, DMD, DO, DC, OD, ND, DVM, PharmD, or PhD in clinical disciplines) through the provision of salary and research support over a sustained period of protected time (3-5 years).	6/12/24 *(additional deadlines: 10/12/24, 2/12/25)*
