

# Funding Opportunities for Conflict Resolution & International Peace

| Sponsor                              | Grant/Program  | Description   | Deadline   |
|--------------------------------------|--|---|--|
| Negotiation Team and Research        | <a href="#">NTR Research Grant</a>   | Support studies of <b>negotiation and conflict management</b> broadly construed. Particularly interested in supporting research that uses a variety of methods that capture negotiators' chatting, talking, and interacting, rather than research that sets up a scenario and asks people how they would negotiate. NTR is also interested in supporting research at the interface of AI and negotiation.   | 4/1/23   |
| Agency for International Development | <a href="#">New Partnerships Initiative Conflict Prevention and Recovery Program</a> | Through this Annual Program Statement (APS), USAID announces its desire to engage new, nontraditional, and local partners to expand and amplify the Agency's work, particularly in <b>contexts at the risk of, or recovering from, conflict or violence</b> .   | 4/3/23   |
| NSF                                  | <a href="#">Security and Preparedness</a>  | Supports research and research infrastructure on issues broadly related to global and national security, including <b>international conflict and dispute resolution</b> , domestic political instability and civil war, and the security implications of climate change.  | 8/15/23<br><br>(additional deadlines 1/15/24, 8/15/24) |
| US Dept. of State                    | <a href="#">Small Grants Program</a>   | The U.S. Mission to the United Nations is accepting project proposals aimed at international (not U.S.) audiences that promote U.S. policy priorities in the multilateral sphere. Giving priority to projects that highlight: Human rights, including the protection of human rights defenders; <b>Promoting peace and security</b> ; Public-private partnerships; Preserving core UN values; Promoting transparency, accountability, and efficiency in the UN system; Mobilizing Action on Climate Change; Sexual Reproductive Health; Advancement of Global Public Health and Global Health Security. | Rolling  |
| Carnegie Foundation                  | <a href="#">International Peace and Security</a>                                     | Promote democracy, education, and peace across the globe, advancing knowledge and understanding in these areas of central importance. Specific topic areas include: Education; Democracy; <b>International Peace and Security</b> ; Higher Education and Research in Africa.  | Rolling  |
