

Funding Alert

Below you will find a selection of upcoming funding opportunities. You can find more grants to support research and programs by searching the online database **SPIN** (*this replaces the Pivot funding database*):

- ***new*** [7-minute instructional video on searching the SPIN funding database](#)
- [Create an account using your NSU email](#) (*new accounts will be approved for access)
- [Log in here once you have an account that is approved](#)
- [When on NSU's campus and internet, you can log in without an account](#)

Want to discuss your project idea or possible funding sources, feedback on your grant documents, or other grantseeking support? **Contact the NSU Grant Writing Manager, Melanie Bauer** (mbauer1@nova.edu).

Disease- & Health-Related Funding Opportunities (Non-Federal)

Sponsor	Grant/Program	Description	Deadline
American Heart Association	Pilot Grants	For innovative pilot projects aimed at predicting and understanding protein-protein and protein-small molecule interactions involved in key biological processes associated with cardiovascular, kidney, and metabolic diseases, including obesity.	5/1/25
The Brain Aneurysm Foundation	Grants	For basic scientific research directed at early detection, improved treatment modalities, and technological advances that will ultimately improve outcomes for patients with brain aneurysms , as well as projects that are translational, clinical/outcome, early detection, imaging, and SAH/SAH complications focused, as well as AI-focused projects.	5/6/25
Tuberous Sclerosis Alliance	Grants	Tuberous sclerosis complex (TSC) is a genetic disorder that causes tumors to form in many different organs, primarily in the brain, eyes, heart, kidney, skin, and lungs. We invest in early-career researchers to drive innovative TSC research and to foster a diverse group of researchers dedicated to our shared mission.	LOI due 5/19/25 (full app due 8/25/25)

Gladys Brooks Foundation	Grant	Grant proposals from hospitals and clinics where the proposal addresses a new health need, an improvement in the quality of health care or reduced health costs with better patient outcomes will be considered generally for: endowments for programs; erection or endowment of buildings, wings of or additions to buildings; and capital equipment.	5/31/25
American Cancer Society	Clinician Scientist Development Grant	Supports full-time faculty members in becoming independent investigators as clinician scientists . This grant is designed for people trained primarily as clinicians who want to maintain clinical practice and conduct cancer research.	6/1/25 <i>(additional deadline: 12/1/25)</i>
Kennedy's Disease Association	Grants	Research grants and fellowship programs to further understand the pathological mechanisms of and possible treatments for Kennedy's disease .	6/2/25
Cures Within Reach	Grant	Clinical and Preclinical Projects funding for clinical repurposing trials (budgets up to \$350,000) and preclinical repurposing research (budgets up to \$100,000) in Meniere's disease as well as other vertigo and hearing loss-related diagnoses , including benign paroxysmal positional vertigo (BPPV), tinnitus, labyrinthitis and vestibular neuritis.	LOI due 6/13/25
Friedreich's Ataxia Research Alliance (FARA)	General Research Grant	Supports research across the spectrum from basic research through drug development and clinical research programs in Friedreich's ataxia (FA).	LOI due 8/15/25 <i>(full app due 10/15/25)</i>
Community Pharmacy Foundation	Grant	CPF is looking for the next great idea to advance the practice of pharmacy in the community setting . Priority areas: patient care best practices, health care delivery models, provider status, and future practice.	Multiple deadlines year-round
<p>Find a listing of past themed grant opportunities on this site under the "NSU Funding Alerts" dropdown.</p> <p>Use these prior compilations to better understand the funders in your area, even if the deadlines have passed. Many funders have recurring annual deadlines for grant programs.</p>
