

Funding Alert

Below you will find a selection of upcoming funding opportunities. You can find more grants to support research and programs by searching the online database **SPIN** (*this replaces the Pivot funding database*):

- [Create an account using your NSU email](#) (*new accounts will be approved for access)
- [Log in here once you have an account that is approved](#)
- [When on NSU's campus and internet, you can log in without an account](#)

Want to discuss your project idea or possible funding sources, feedback on your grant documents, or other grantseeking support? **Contact the NSU Grant Writing Manager, Melanie Bauer** (mbauer1@nova.edu).

The [Congressionally Directed Medical Research Programs \(CDMRP\)](#) grant funding opportunities have started to be posted! Many more are likely to be posted over the next few months, with deadlines for pre-applications/letters of intent coming as early as May.

Attached is a prior presentation I delivered as an introduction to CDMRP programs. Find a recording from that session [here](#).

Find below a listing of the program announcements posted as of April 1. Another dozen or more may be posted in the coming weeks!

- Amyotrophic Lateral Sclerosis
- Autism
- Breast Cancer
- Epilepsy
- Hearing Restoration
- Lung Cancer
- Ovarian Cancer
- Alzheimer's
- Spinal Cord Injury

- Vision
- Peer Reviewed Medical Research Program—includes such topics as: autoimmune/immunology, cardiovascular, infectious disease, internal medicine, neuroscience, orthopaedic, rare diseases, and respiratory health

How can you stay updated on forthcoming program announcements?

- Sign up to receive news from each program to your email inbox: <https://ebrap.org/eBRAP/programSubscription/Subscribe.htm>
- Check back at this website in the coming weeks: <https://cdmrp.health.mil/funding/prgdefault>

In all cases, see the “Program Announcement” for specific topics of interest, and also see the program page for funding mechanisms (e.g., research, early-career, clinical trial, therapy development, etc.)

As always, I am available to discuss your project idea and help answer questions to determine alignment with the programs, and also talk through the proposal development process. Involve me early!
