

Funding Opportunities for Pharmacy

Sponsor	Grant/Program	Description	Deadline
NIH	Avenir Award Program for Chemistry and Pharmacology of Substance Use Disorders (DP1)	Supports early stage investigators proposing highly innovative research in the area of chemistry and pharmacology of substance use disorders and addiction . The purpose of this award is to support those in an early stage of their career who may lack the preliminary data required for an R01 grant, but who propose high impact research and who show promise of being tomorrow's leaders in the field.	8/9/2023 <i>(additional deadlines: 8/9/24, 8/7/25)</i>
ACCP Foundation	Mentored Developmental Research Awards	Supports pharmacy researcher development and pharmacy research advancement. All students, trainees, and junior investigators who are members of ACCP are encouraged to apply.	9/1/2023
Pfizer	Knowledge Gaps in Drug-Drug Interactions in COVID-19 Outpatient Treatment	Support educational programs that address potential knowledge gaps related to drug-drug interactions (DDIs) in COVID-19 outpatient treatment.	9/1/2023
NIH	Development of Medications to Prevent and Treat Opioid and/or Stimulant Use Disorders and Overdose (UG3/UH3)	Seeks research for the discovery and development of medications to prevent and treat opioid use disorder (OUD) and/or psychostimulant (cocaine or methamphetamine) use disorder (PsUD) and overdose.	9/1/2023 <i>(additional deadlines: 1/2/24, 5/1/24)</i>
AHRQ	Small Research Grant Program (R03)	Supports different types of health services research projects including pilot and feasibility studies; secondary analysis of existing data; small, self-contained research projects; development of research methodology; and development of new research technology. Supports research in all health care settings including the hospital, long-term care, ambulatory care, home health care, pharmacy, and transitions of care between settings.	10/16/2023 <i>(additional deadlines: 2/16/24, 6/16/24)</i>
PhRMA Foundation	Starter Grant in Health Outcomes Research	Support for individuals beginning independent research careers in health outcomes research at the faculty level. Seeks research proposals that investigate challenges and potential solutions related to evaluating the delivery, safe use, effectiveness, and value	<i>Coming December 2023</i>

		(clinical, patient-centered, and economic) of medicines and other health care interventions.	
FDA	Conferences and Scientific Meetings (R13)	Support high-quality conferences and scientific meetings designed to research and investigate a topic clearly aligned with the FDA mission. A conference or scientific meeting is defined as a symposium, seminar, workshop, or any formal meeting, whether conducted face-to-face or virtually to exchange information and explore a defined subject, issue, or area of concern impacting the public's health within the scope of the FDA's mission.	LOI due 2/16/2024 <i>(full app due 4/12/2024)</i>
Community Pharmacy Foundation	Grants	Provides grant funding for projects and studies directly associated with community pharmacy practice and the advancement of patient care services by pharmacists. Areas of focus: patient care best practices, health care delivery models, provider status, and future practice.	Rolling
