Notable Grant Opportunity

[New Idea Awards - Autism & Related Neurodevelopmental Disorders](#)

Provide early stage support for bold, exploratory basic research that tests novel hypotheses and opens new conceptual or experimental directions in the study of autism and related neurodevelopmental disorders (NDD). Proposed research may draw on any scientific discipline, methodology, or experimental system (including humans) and may operate at any scale or level of analysis. Letters of intent (LOIs) accepted on a rolling basis. There are no citizenship requirements.
