

Funding Alert

Below you will find a selection of upcoming funding opportunities. You can find more grants to support research and programs by searching the online database **Pivot**:

- [How to create a Pivot account](#)
- ***new*** [A 5-minute tutorial on tips for using Pivot](#)

Want to discuss your project idea or possible funding sources, feedback on your grant documents, or other grantseeking support? **Contact the NSU Grant Writing Manager, Melanie Bauer** (mbauer1@nova.edu).

Funding Opportunities from the Patient-Centered Outcomes Research Institute (PCORI)

Fourteen programs are currently open through the PCORI funding organization. See below a listing of some of the topic areas and access more details via their website: <https://www.pcori.org/funding-opportunities?keyword=&f0=status:4049>

Current funding areas of interest:

- Cardiovascular health
- Sleep health
- Telehealth for chronic conditions management
- Healthy aging
- Shared decision making in practice settings
- And more!

About PCORI:

*“We fund **comparative clinical effectiveness research (CER)**, which compares two or more medical treatments, services, or health practices to help patients and other stakeholders make better informed decisions. The vast majority of the research that PCORI funds is for CER projects, but **we also fund** awards to promote engagement in research, dissemination and implementation projects, methodology research, and the development of research infrastructure...”*
