Want to discuss your project idea or possible funding sources, feedback on your grant documents, or other grantseeking support? **Contact the NSU Grant Writing Manager, Melanie Bauer (mbauer1@nova.edu).**

Funding Opportunities for Children & Families

Sponsor	Grant/Program	Description	Deadline
Dooley Trust at NSU	[For Projects Benefitting Children with Autism](#)	These funds, generously donated to establish the Robert E. Dooley Trust NSU Center for Autism Endowment Fund, will be disseminated by the NSU Division of Research (DoR) via this application process. Priorities are services, programs, and initiatives that **support individuals with autism and provide support to caregivers/families**. Preference will be given to projects that benefit children with autism. DoR will be stewards of the funds to ensure they are used for purposes that align with the donor's wishes. Applications accepted on a rolling basis, with award cap at $50,000 except under special circumstances. Project period will be one year or less.	*Rolling*
Gerber Foundation	[Research Grants](#)	Funds pediatric research on infants and young children (from the first year before birth to three years of age) in three focus areas: **pediatric health, pediatric nutrition, and environmental hazards**. Projects should focus on issues faced by care providers that, when implemented, will improve the health, nutrition, and/or developmental outcomes for infants and young children.	Concept paper due 11/15/23 *(full proposal due 2/15/24)*
NIH	[Risk and Protective Factors of Family Health and Family](#)	The purpose of this initiative is to advance the science of minority health and health disparities by supporting research on **family**	2/5/2024

	Level Interventions (R01)	*health and well-being and resilience*. The NIMHD Research Framework recognizes family health, family well-being, and family resilience as critically important areas of research to decrease disparities and promote equity.	*(additional deadlines: 6/5/24, 10/5/24)*
NIH	Pilot Studies to Test the Initiation of a Mental Health Family Navigator Model to Promote Early Access, Engagement and Coordination of Needed Mental Health Services for Children and Adolescents (R34)	Encourage research applications to develop and pilot test the effectiveness and implementation of existing *family navigator models* designed to promote early access, engagement, coordination and optimization of mental health treatment and services for children and adolescents who are experiencing early symptoms of mental health problems.	2/16/2024 *(additional deadline: 6/16/24)*
Cigna	Healthier Kids For Our Future Food Insecurity Grant	Support community-based programs working to address *food insecurity, nutrition programs* for expecting mothers/caregivers, needs of preschool children, health provider/clinician efforts to provide nutrition education, and school-based programs to improve state/federal assistance.	*Rolling*
W.K. Kellogg Foundation	Grants	Three priority areas: ***Thriving Children***: We support a healthy start and quality learning experiences for all children; Working Families: We invest in efforts to help families obtain stable, high-quality jobs; Equitable Communities: We want all communities to be vibrant, engaged and equitable.	*Rolling*
NIH	NOSI: Promoting Vaccine Access, Acceptance and Uptake among Children, Adolescents, Pregnant and Lactating Women, and Persons with Disabilities	Encourages applications that address dimensions of access, acceptance, and ***uptake of CDC-recommended vaccines*** among infants, children, adolescents, pregnant and lactating women, and persons with disabilities, especially among populations who are underserved or experience health disparities.	*Various*
